

IMPORTANT UPDATES

Virtual Learning Coach Support:

Due to COVID-19 we have decided to close the Lower School to High School learning center for the first term of the 2020/21 school year. iCad Plus Learning Center will remain open.

The plan is up for review closer to time and we hope to see our students back in the learning center. We are therefore pleased to announce that our Dubai based learning coaches are available to continue supporting our students virtually. The new service created to support our online families, the Virtual Online Learning Coach Support, will be used by students studying online at home with the advantages of additional support. Contact the Admissions Team to find out more.

WELCOME

Hello iCademy Middle East families! This certainly has been an absolutely crazy year. I don't think anyone could have predicted the events unfolding in our world during 2020. With all the difficulties, there are many things to celebrate this school year too.

We have once again had a 49 students graduate from iCademy Middle East and are now prepared for the next stages of their lives, university, gap years and looking to get into the workforce as new opportunities arise. We want to wish the graduating Class of 2020 the best as they venture out into a truly "new world".

We are so grateful for the families that school with iCademy Middle East and the choice you make to allow us to help educate your students. It is the single most important decision you as parents make for your children. With that we are also grateful to all the Teachers, Counselors, Academic Advisors, Learning Coaches, Administrators, Enrollment Counselors and Support Staff that make iCademy Middle East such an OUTSTANDING school!

We are already in preparation for the 2020-21 school year. Courses are being prepared, new staff are being hired to meet the rising enrollment demands. In a time of crisis, we are thriving and growing. Our school and community are stronger than ever. We hope that you each get a chance to rest a little, relax, and regenerate your mind, body and soul in the coming weeks. Enjoy your summer as best you can, stay safe and we cannot wait to serve you all again in the Fall.

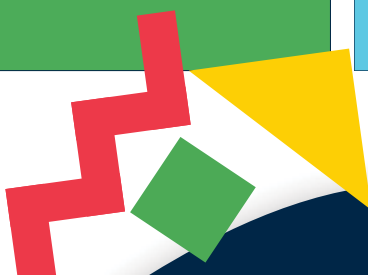

Happy Summer!

CHAPTER 11 - WRITE A NOVEL CHALLENGE

by Siwar Hamdi

Siwar Hamdi is an Honors Language and Arts student in Grade 11. Miss Hamdi is 16 years old and from Jordan. She writes: "In this chapter, I wanted to provide more insight into Neina's parents, and I decided to incorporate Isla more into the plot. The brief description of Neina's parents' unique relationship in Chapter 9 intrigued me and motivated my work in this chapter. I am looking forward to reading the upcoming chapters!"
